Entry Conditions:

*Knockout Matches must be played, and the result recorded on the Members Lounge (foyer) Notice Board result sheet immediately after each knockout round is played.
 If the result is not posted after the completion of both knockout matches, both teams will be disqualified.
 Knockout rounds, if played on a Saturday, should be played after the regular field.
 Alternatively, whilst prior play is permitted, a tee booking must be made as it is compulsory that all matches commence at the 1st tee.*
