To confirm a booking, a minimum deposit of \$400 is required. This payment should be made within 7 days of booking to secure the date, and can be done using any major credit card, EFTPOS or cash. A compulsory credit card authority is also required to confirm the booking and is held as security.

### **PRICES & MINIMUM SPENDS:**

All prices quoted are inclusive of GST. Whilst every effort is taken to maintain prices, these are subject to change. Minimum spend requirements apply for all function spaces. Management will advise the minimum spend upon enquiry. This cost will be in line with estimated turnover obtained in regular trade in the proposed function area. Minimum spends are restricted to food and beverage spend only. Any costs outside of this (e.g. additional security, entertainment) are not included in the final calculation. If the minimum spend quoted for the room is not met, the additional charge will become a room hire fee and will be payable on completion of the function.

### **FINAL PAYMENT:**

All catering, beverage and room set up requirements are requested a minimum of fourteen (14) days prior to your function date. Final numbers are required seven (7) working days prior to the event. Please note that this number will form the basis for final charging. Once payment has been processed, no refunds will be offered should your

numbers decrease, or experience no shows on the evening. All catering and all cost relating to beverage packages must be paid upon confirmation of final numbers. Should payments not be received, the venue reserves the right not to proceed with the function. Drinks on consumption tabs must be paid upon conclusion of the event.

### **CANCELLATIONS:**

Cancelling a function after the deposit has been paid can only be done by consulting directly with management, and only by the person who paid the initial deposit. Any cancellation made within a period of 2 weeks from the date of the function will forfeit the deposit.

### **FUNCTION CONDUCT:**

It is required that the organiser will conduct the function in an orderly manner.
