Pro Shop

Welcome to the Clifton Springs Pro Shop. The shop is part of the country's premier Golf Retail Franchise "The Golf Clearance Outlet" and has been located at Clifton Springs Golf Club for over 6 years. Owned by local resident Danny Markovic, the shop also has the services of PGA Teaching Professional Anthony Bergin and club member Kay Behan. Anthony manages the shop and also offers teaching services to all types of golfers that cover every aspect of the game (prices and further information is available on the club website or just ask Anthony).

The facility provides a range of golf supplies and you can choose from all the big brands. You will find Callaway, TaylorMade, Bridgestone, Mizuno, Srixon, Titleist, Cleveland, Tour Edge and many more. Most brands and items are able to be obtained and if on hand, can be supplied from The Golf Clearance Outlet Geelong. Anthony, Kay, and Danny's experience and knowledge of all golf equipment will assure you get the best service and advice every time, and at an unbeatable price!

Club Fitting

A full club fitting service is available and clubs can be specifically tuned to suit your game through the use of the recently purchased Foresight GC2 Launch Monitor. This unit analyses the ball flight of the golf ball and gives data for 6 different groups: Ball Speed, Launch Angle, Push/Pull, Side Spin, Backspin and Total Carry. From these figures we will have visual information to get the clubs that suit your unique swing. Bookings for the use of this machine must be made through the Pro Shop at least 2 days prior. So if you are looking for more distance or more consistency, book in for a fitting. Fittings will take anywhere between 10 minutes and 30 minutes for a specific club (driver, iron, hybrid or fairway wood) and around 1 hour for a full set. There is no obligation to buy and if you don't see any improvement over your current equipment you will be told so.
