COMPETITION PLAYING CONDITIONS

Full details of playing conditions are posted on the Club Notice Board.

In all Honour Board events where Gross and Net trophies are awarded, the Gross trophy takes precedence.

Visitors are not eligible to win Honour Board events.

ELIGIBILITY FOR TROPHIES:

Where an Honour Board event has provision for both Gross and Net winners, a member (or members for team play) will be eligible to win both Gross and Net trophies. Where only a Gross trophy is awarded and the same person (or team) has achieved the best Gross and Net result, the next highest Net score will be acknowledged as the Net winner for that event.

CLUB CHAMPIONSHIP

A seeded draw will be in place for the final round for each grade.

In the event of a tie for winner of the Club Championship or Junior Club Championship (lowest aggregate Gross score over all four rounds) the winner will be decided by a playoff over 18 holes. In the event of the contest still being tied after an 18-hole playoff, there will be a sudden death playoff to decide the winner.

Ties in Gross events for Grades B, C, D and Veterans to be decided on a count back using the last 18 hole round. If still tied, a countback will be done, as per an eighteen hole round, using the last eighteen hole card.

Ties in Net events for all grades will be decided on a count back on the final round.

To be eligible to play in the Junior Club Championship all players must be under the age of 18 years on the 1st July in the year the competition commences.

McINERNEY FISCHER TROPHY & McDONALD CUP ENTRY CONDITIONS

Intending competitors must indicate their intention to compete in the knockout rounds by entering their names on the entry sheet in the pro-shop prior to the commencement of the first round.

Notes:

- 1. Entering your name and contact phone number on the entry sheet indicates permission to display the phone number on the seeded draw. Should you choose not to enter a phone number, it will be your responsibility to arrange contact with your opponent.*
- 2. Knockout Matches must be played, and the result recorded on the Members Lounge (foyer) Notice Board result sheet immediately after each knockout round is played.*
- 3. If the result is not posted after the completion of both knockout matches, both teams will be disqualified.*
- 4. Knockout rounds, if played on a Saturday, should be played after the regular field. Alternatively, whilst prior play is permitted, a tee booking must be made, as it is compulsory that all matches commence at the 1st tee.*

All play must be from the (BLUE) Championship markers, except when temporary tees are in play, when markers for the day should be used. The Match Play Index on the scorecard must be used for these two events.

MATCH REFEREE: The Match Referee is always the Captain or a person appointed by the Match Committee. Should he/she not be available to adjudicate either in person or by telephone, then the Vice Captain or the most senior Match Committee member available and in that order shall assume responsibility on the day.

4BBB EVENTS

In 4BBB events where there are 3 players in a group, the lowest handicapped player will partner both other Players. i.e.: - Player A will partner Player B and simultaneously partner Player C. One entry fee only for Player A, who will only be eligible for one trophy.

(This playing arrangement is not permitted in the McInerney Fischer Trophy, Foursomes events or 2 Person Ambrose events).

McInerney Fischer competitors may only partner each other whilst competing in the qualifying rounds. If one partner is unavailable for all or part of a round then the holes to be completed must be so done singly.

STIPULATED ROUND

A stipulated round (See Rules of Golf), is from the 1st Tee through to the 18th Green and only in that order. Applies to ALL competitions unless the competition rules of the day provide otherwise.

TEE TIMES

Players should report to the starter 15 minutes before hit-off time. A time sheet generally operates on all competition days and Public Holidays, 7.00am through to 1.00pm. Late arrivals may be relegated to a later time, or completely removed from the field at the discretion of the starter.

The starter has the right to alter groupings to ensure the smooth flow of the competition.

Failure to telephone the starter (phone 52 531 488 if for any reason you are unable to attend at your selected start time) will incur the attention of the Match Committee.

**OFFENDERS MAY HAVE COMPETITION RIGHTS
SUSPENDED.**

GENERAL RULES

Motorised Golf Carts

The use of Motorised Golf Carts (Ride-on, including bikes) is prohibited in Honour Board events, including Qualifying Rounds.

Exceptions:

(a) Medically certificated Players who have prior approval of the Match Committee or of the Captain when such medical incapacity is of recent origin.

(b) Members 60 years of age or over.

In any such use by ALL players using a Motorised Cart whether as Driver or Passenger must, in an Honour Board event, record such use on their scorecard.

Any Member may use a cart in ordinary club events.

Restrictions

Golf Carts and other motorized transport must be driven:

- Never closer than 8 metres to any portion of any green unless impractical.
- On pathways where provided, otherwise not closer than 5 metres to any tee.
- Carts etc. MUST avoid wet areas and trees with low branches.

Such usage is a privilege not a right. Kindly adhere to these simple rules.

JUNIORS PLAYING IN SENIORS EVENTS:

Juniors with a handicap higher than 12 playing in Senior Competitions must have their card marked by a senior, or a junior whose handicap is 12 or lower.

PACE OF PLAY

No player shall play until the players in front are out of range. Players shall play without delay. Your Match Committee considers that a reasonable round of golf (stroke in 4s) breaches Rule 6-7 should it exceed 4 hours 20 minutes.

The Rules of Golf provide penalties for SLOW PLAY.

**YOUR POSITION IN THE FIELD IS IMMEDIATELY
BEHIND THE GROUP IN FRONT: NOT IMMEDIATELY IN
FRONT OF THE GROUP BEHIND.**

We are advocates of READY GOLF.

***If you are ready, hit. PAY DUE RESPECT TO SAFETY ON
THE FAIRWAY AND COURTESY ON THE GREEN***

When the result of a hole has been determined, the players should immediately leave the putting green.

To save valuable minutes, players should leave their bag and buggy at the point nearest to the next tee and the first person to tee off on the next hole should record his or her score after hitting their drive.

Remember Play “READY GOLF “

VISITORS

Members of Golf Clubs affiliated with Golf Australia who are introduced by a member may, on payment of applicable competition fees, enter the Club Competition. Visitors are not eligible to win Honour Board events.

In accordance with Rule 33.1 our club playing conditions require ALL visitors playing in club competitions to state their ***Home Club and Golf Link number*** on their scorecard. Members of Clubs not affiliated with Golf Link are excused the number requirement but should state, “*Not affiliated*”. This is the responsibility of both the Host Member and the Visitor.

WITHDRAWAL OF HANDICAP

The handicap of a member may be withdrawn if he/she fails to carry out his/her duties as above.

ETIQUETTE

No one shall move, talk, use a mobile phone or stand close by or directly behind the ball or the hole when a player is addressing the ball or making a stroke.

If a player considers their mobile phone essential, the player must notify all others in the group prior to commencing play and assist others by setting their phone to "Silent".

Before leaving a bunker, a player should carefully repair the area and replace the rake in the flat area of the bunker, nearest to access points, pointing in the direction of play.

Replace all divots through the green and judiciously use the sand bucket.

Etiquette requires that all Members approach the course for play (whether such play is for a Competition, a Match or Social round) through the Pro Shop. *If for any reason the players need to be contacted, it is essential that the Pro Shop has knowledge of their whereabouts.*

Members are entitled to get the maximum enjoyment out of their golf, but it is also their duty to observe the rules and etiquette of the game so that fellow competitors may also enjoy their game.

***YOUR MATCH COMMITTEES WISH YOU
GOOD GOLFING.***

GOLF GAMES

Foursomes (Including Mixed)

A Teams event (two) Handicap = *One half of aggregate stroke handicap.*

Players play alternately from the tee and alternate shots on the remainder of each hole. Penalties do not affect the playing of alternate shots. Scoring is as in a stroke round.

American Foursomes (Including Mixed) also known as “Pinehurst” or “Chapmans”

A Teams event (two) Handicap = *Three eighths of aggregate stroke handicap for all players.*

Both players play from the tee. Each player then plays one shot with their partner's ball. They then decide which ball is to be played. The Owner of the ball plays the next shot and this ball is then played alternately for the remainder of the hole.

Canadian Foursomes (Including Mixed)

A Teams event (two) Handicap = *Three eighths of aggregate stroke handicap.*

Both players play from the tee and then decide on which ball is to be played. The selected ball is then played alternately for the remainder of the hole.

Irish Four Ball (Including Mixed)

A Teams event (four) Handicap = *Standard handicaps are used.* Each player plays their own ball and the score recorded on the card is the best two *STABLEFORD* scores by any two of the four in the team. Common variations are to randomly select additional holes where one, two, three or all scores are to count.

Four ball best ball stroke

A Teams event (two) Handicap = *Standard handicaps are used.* Each player plays his own ball and at the completion of the hole the best net score is recorded,

Four Ball Stableford Multiplier

A Teams event (two). *Standard handicaps are used.*

Each player plays their own ball. The result is achieved by multiplying the Stableford scores on each hole.

Four ball Accumulative Par or Stableford, A Teams event (two). Each player plays their own ball. The result is achieved by adding the Par or Stableford score on each hole.

Mulligan

A good event for Fund Raising days.

A Singles event. *Handicap = Standard handicaps are used.*

Player's pre purchase Mulligan options (say \$1 per option, usually in bundles of 5) and may exercise an option to discard a poor shot and play again without penalty by the spending of that option.

The option is purely to purchase another shot, options cannot be used simply to discard a shot i.e. to say reduce shots played from 5 to 3.

Any of Stroke, Par or Stableford competitions may be used.

Ambrose

A team event. Teams can be two, three or four players.

Handicap Adjustment = see table on next page.

Each player plays a tee shot. Choose the "preferred" ball, which must be played from where it comes to rest. Ball must be marked if played first. Other players, in any order, **PLACE** their ball (through the green) within one club length of the "preferred" ball, not nearer the hole. This procedure continues until the green has been reached. Once the green has been reached, the preferred ball must be marked, other players must **PLACE** their ball as close to the spot as possible. Each player putts in turn until the ball is holed. If the "preferred" ball is in a hazard, the other players must **DROP** their ball in the hazard, within one club length of the "preferred" ball and not nearer the hole. Tap ins are permitted, however, if missed, that ball immediately becomes the preferred ball. From the tee shot, the Scorer must record the owner of the "preferred" ball for each hole on the card. All players are eligible for NTP & Hole-in-One privileges, regardless of Tee shot restrictions.

Our playing conditions relative to 4BBB events do not apply in 2 Person Ambrose events.

Gentsomes:

A team's event with Individual handicaps used for each player.

- Each player plays a tee shot.
- Choose the “preferred” ball, which must be played from where it comes to rest. Ball must be marked if played first.
- The number of drives permitted for each player is governed (as in an Ambrose event) by the listing above.
- Other players, in any order, **DROP** their ball (through the green) within one club length of the “preferred” ball, not nearer the hole.
- If the “preferred” ball lands on the green, players must **PLACE** their ball as close to the spot as possible.
- If the “preferred” ball is in the rough or a hazard, the other players must **DROP** their ball in the rough or hazard, within one club length of the “preferred” ball.
- For all subsequent shots, players play their own ball, where it lies, until holed out (or picked up if two better or equal Stableford scores are known).
- Record the two higher Stableford scores on each hole and record the player whose tee shot was selected.
- A hole-in-one can be the preferred ball, provided the player has not reached the maximum number of tee shots. If used, the two higher Stableford scores, using the hole-in-one as each player's shot, are recorded
- All players are eligible for NTP & Hole-in-One privileges, regardless of Tee shot restrictions.
